The Annual Meeting will be available at [www.virtualshareholdermeeting.com/WWE2020](http://www.virtualshareholdermeeting.com/WWE2020). Stockholders will not be able to attend the Annual Meeting physically. No changes have been made to the record date or the proposals to be brought before the Annual Meeting, which are presented in the previously distributed proxy statement.

As described in the previously distributed proxy materials, stockholders are entitled to notice of, and to vote at, the Annual Meeting and at any adjournments thereof if they were a stockholder of record as of the close of business on February 20, 2020. Eligible stockholders may participate in and vote at the Annual Meeting by following the instructions available on the meeting website during the meeting. The Company has designed the format of the Annual Meeting to ensure that stockholders are afforded similar rights and opportunities to participate as they would have at an in-person meeting.

Further information regarding the matters to be acted upon at the Annual Meeting is set forth in the proxy statement and other proxy materials for the Annual Meeting. The proxy statement and the Company's 2019 Annual Report to Stockholders are available at <http://www.proxyvote.com>. The proxy card has been updated to reflect the adjournment and change in format of the Annual Meeting. Eligible stockholders may use the original proxy card or the updated proxy card to vote their shares of common stock in connection with the Annual Meeting. Stockholders who have already submitted a proxy or voting instructions will not be required to submit an additional proxy card or to confirm the prior voting instructions. **Forward-Looking Statements:** This press release contains forward-looking statements pursuant to the safe harbor provisions of the Securities Litigation Reform Act of 1995, which are subject to various risks and uncertainties. These risks and uncertainties include, without limitation, risks relating to: the impact of the COVID-19 outbreak on our business, results of operations and financial condition; entering, maintaining and renewing major distribution agreements; a rapidly evolving media landscape; *WWE Network* (including the risk that we are unable to attract, retain and renew subscribers); our need to continue to develop creative and entertaining programs and events; the possibility of a decline in the popularity of our brand of sports entertainment; the continued importance of key performers and the services of Vincent K. McMahon; possible adverse changes in the regulatory atmosphere and related private sector initiatives; the highly competitive, rapidly changing and increasingly fragmented nature of the markets in which we operate and greater financial resources or marketplace presence of many of our competitors; uncertainties associated with international markets including possible disruptions and reputational risks; our difficulty or inability to promote and conduct our live events and/or other businesses if we do not comply with applicable regulations; our dependence on our intellectual property rights, our need to protect those rights, and the risks of our infringement of others' intellectual property rights; the complexity of our rights agreements across distribution mechanisms and geographical areas; potential substantial liability in the event of accidents or injuries occurring during our physically demanding events including without limitation, claims alleging traumatic brain injury; large public events as well as travel to and from such events; our feature film business; our expansion into new or complementary businesses and/or strategic investments; our computer systems and online operations; privacy norms and regulations; a possible decline in general economic conditions and disruption in financial markets; our accounts receivable; our indebtedness including our convertible notes; litigation; our potential failure to meet market expectations for our financial performance, which could adversely affect our stock; Vincent K. McMahon exercises control over our affairs, and his interests may conflict with the holders of our Class A common stock; a substantial number of shares are eligible for sale by the McMahons and the sale, or the perception of possible sales, of those shares could lower our stock price; and the volatility of our Class A common stock. In addition, our dividend is dependent on a number of factors, including, among other things, our liquidity and historical and projected cash flow, strategic plan (including alternative uses of capital), our financial results and condition, contractual and legal restrictions on the payment of dividends (including under our revolving credit facility), general economic and competitive conditions and such other factors as our Board of Directors may consider relevant.
