Forward-Looking Statements: This press release contains forward-looking statements pursuant to the safe harbor provisions of the Securities Litigation Reform Act of 1995, which are subject to various risks and uncertainties. These risks and uncertainties include, without limitation, risks relating to entering into, maintaining and renewing key agreements, including television and pay-per-view programming and our new network distribution agreements; risks relating to the launch and maintenance of our new network; the need for continually developing creative and entertaining programming; the continued importance of key performers and the services of Vincent McMahon; the conditions of the markets in which we compete and acceptance of the Company's brands, media and merchandise within those markets; uncertainties relating to regulatory matters; risks resulting from the highly competitive and fragmented nature of our markets; uncertainties associated with international markets; the importance of protecting our intellectual property and complying with the intellectual property rights of others; the risk of accidents or injuries during our physically demanding events; risks associated with producing and travelling to and from our large live events, both domestically and internationally; risks relating to our film business; risks relating to new businesses and strategic investments; risks relating to our computer systems and online operations; risks relating to general economic conditions and our exposure to bad debt risk; risks relating to litigation; risks relating to market expectations for our financial performance; risks relating to our revolving credit facility; risks relating to the large number of shares of common stock controlled by members of the McMahon family and the possibility of the sale of their stock by the McMahons or the perception of the possibility of such sales; the relatively small public float of our stock; and other risks and factors set forth from time to time in Company filings with the Securities and Exchange Commission. Actual results could differ materially from those currently expected or anticipated. In addition, our dividend is dependent on a number of factors, including, among other things, our liquidity and historical and projected cash flow, strategic plan (including alternative uses of capital), our financial results and condition, contractual and legal restrictions on the payment of dividends, general economic and competitive conditions and such other factors as our Board of Directors may consider relevant.
