Forward-Looking Statements: This press release contains forward-looking statements pursuant to the safe harbor provisions of the Securities Litigation Reform Act of 1995, which are subject to various risks and uncertainties. These risks and uncertainties include, without limitation, risks relating to: the impact of the COVID-19 outbreak on our business, results of operations and financial condition; entering, maintaining and renewing major distribution agreements; a rapidly evolving media landscape; WWE Network (including the risk that we are unable to attract, retain and renew subscribers); our need to continue to develop creative and entertaining programs and events; the possibility of a decline in the popularity of our brand of sports entertainment; the continued importance of key performers and the services of Vincent K. McMahon; possible adverse changes in the regulatory atmosphere and related private sector initiatives; the highly competitive, rapidly changing and increasingly fragmented nature of the markets in which we operate and greater financial resources or marketplace presence of many of our competitors; uncertainties associated with international markets including possible disruptions and reputational risks; our difficulty or inability to promote and conduct our live events and/or other businesses if we do not comply with applicable regulations; our dependence on our intellectual property rights, our need to protect those rights, and the risks of our infringement of others' intellectual property rights; the complexity of our rights agreements across distribution mechanisms and geographical areas; potential substantial liability in the event of accidents or injuries occurring during our physically demanding events including without limitation, claims alleging traumatic brain injury; large public events as well as travel to and from such events; our feature film business; our expansion into new or complementary businesses and/or strategic investments; our computer systems and online operations; privacy norms and regulations; a possible decline in general economic conditions and disruption in financial markets; our accounts receivable; our indebtedness including our convertible notes; litigation; our potential failure to meet market expectations for our financial performance, which could adversely affect our stock; Vincent K. McMahon exercises control over our affairs, and his interests may conflict with the holders of our Class A common stock; a substantial number of shares are eligible for sale by the McMahons and the sale, or the perception of possible sales, of those shares could lower our stock price; and the volatility of our Class A common stock. In addition, our dividend is dependent on a number of factors, including, among other things, our liquidity and historical and projected cash flow, strategic plan (including alternative uses of capital), our financial results and condition, contractual and legal restrictions on the payment of dividends (including under our revolving credit facility), general economic and competitive conditions and such other factors as our Board of Directors may consider relevant.
