WORLD WRESTLING ENTERTAINMENT, INC.
PROXY STATEMENT
Annual Meeting of Stockholders
Thursday, September 15, 2005

The enclosed proxy is solicited on behalf of the Board of Directors of World Wrestling Entertainment, Inc. in connection with our Annual Meeting of Stockholders to be held on Thursday, September 15, 2005, at 10:00 a.m. local time (the "Annual Meeting"), or any adjournment or postponement of this meeting. The Annual Meeting will be held in our Television Production Facility, 120 Hamilton Avenue, Stamford, Connecticut 06902. We intend to mail this proxy statement and accompanying proxy card on or about August 2, 2005, to each stockholder entitled to vote at our Annual Meeting.

We will pay all costs of this proxy solicitation. Directors or officers, or other employees of ours, may also solicit proxies in person or by mail, telephone or telecopy.

Only holders of record of our Class A common stock and Class B common stock at the close of business on July 22, 2005, will be entitled to notice of and to vote at our Annual Meeting. At the close of business on the record date, 21,236,032 shares of Class A common stock and 47,713,563 shares of Class B common stock were outstanding and entitled to vote, with each Class A share entitled to one vote on all matters and each Class B share entitled to ten votes. We sometimes refer to Class A common stock and Class B common stock together as "Common Stock."

A majority of the collective voting power represented by our Common Stock, present in person or represented by proxy, constitutes a quorum for the transaction of business at the Annual Meeting. Nominees for election to the Board are elected by plurality vote. A majority of the shares present and entitled to vote at the meeting is required to ratify the selection of Deloitte & Touche LLP as our independent auditors. Both abstentions and broker non-votes will be counted for purposes of determining the presence or absence of a quorum, but broker non-votes are not considered present and entitled to vote on any matter. Consequently, only abstentions will have the effect of a vote against Proposal 2. **The Board of Directors recommends that you vote FOR each of the proposals.**

If you vote via any of the following methods, you have the power to revoke your vote before the Annual Meeting or at the Annual Meeting. You may revoke a proxy by mailing us a letter which we receive prior to the Annual Meeting stating that the proxy is revoked, by signing a subsequent proxy presented at the Annual Meeting, or by attending our Annual Meeting and voting in person. While the Company does not plan to disseminate information concerning your vote, proxies given by stockholders of record will not be confidential. The voting instructions of beneficial owners will only be available to the beneficial owner's nominee and will not be disclosed to us unless required by law or requested by you. If you are a stockholder of record and write comments on your proxy card, your comments will be provided to us.

Vote by Internet:

The Company strongly prefers that you utilize our convenient Internet voting system which you can access and use whether you live in the United States or elsewhere. The website for Internet voting is printed on the enclosed proxy card. Internet voting is available 24 hours a day until 11:59 P.M. on September 14, 2005. You will be given the opportunity to confirm that your instructions have been properly recorded. **While at the site you will be able to enroll in our electronic delivery program, which will insure that you will receive future mailings relating to annual meetings as quickly as possible and will help us to save costs. If you vote via the Internet, please do NOT return your proxy card.**

We believe all nominees will be willing and able to serve on our Board. In the unlikely event that a nominee is unable or declines to serve, we will vote the shares for the remaining nominees and, if there is one, for another person duly nominated by our Board of Directors.

The Board and Committees

Our Board has standing Audit, Compensation and Executive Committees. During Fiscal 2005, there were six meetings of the Board of Directors, nine meetings of the Audit Committee and four meetings of the Compensation Committee. Under our Corporate Governance Guidelines, Directors are expected to prepare for and attend meetings of the Board and committees on which they sit. All Directors attended more than 75% of the aggregate number of meetings of the Board and committees on which he or she served. Directors are also expected to attend the Company's Annual Meeting of Stockholders, and all members attended last year's meeting.

Independent Directors . Each year our Board conducts a review to determine which of our directors qualifies as independent. Based on its most recent review, Messrs. Bowman, Kenin, Solomon and Weicker qualify as independent under all applicable New York Stock Exchange and SEC regulations, which are the standards we use in determining independence. None of these independent directors has any relationship with the Company other than their director/committee memberships except for Mr. Solomon, who has an affiliation with one of our stockholders as described in "Security Ownership of Certain Beneficial Owners and Management." The New York Stock Exchange listing requirements state that ownership of even a significant amount of stock is not a ban to independence. Our Audit and Compensation Committees consist solely of independent directors.

Since Mr. McMahon owns approximately 68 percent of the Company's outstanding equity, and controls in excess of 95% of the combined vote of our voting stock, we are a "controlled company" under New York Stock Exchange listing standards. As a result, we have elected to utilize the exemptions in the NYSE listing standards that permit us, as a "controlled company," to have less than a majority of independent Directors and to have no nominating/corporate governance committee or other committee performing a similar function. One-half (rather than a majority) of our Directors qualify as independent. We believe that the functions of a nominating/corporate governance committee are adequately served by our existing structure, and the additional cost and administrative burden of another committee would not be warranted.

Executive Sessions . Under our Corporate Governance Guidelines, the non-management members of the Board meet quarterly in executive sessions and the independent Directors meet annually. In practice, most Board, Audit Committee and Compensation Committee meetings include an executive session. Executive sessions are presided over by the chair of the Audit or Compensation Committee, as the case may be, if the principal item to be considered is within the scope of that Committee and, if not, such chairs alternate meetings.

Communications with Directors . Stockholders who wish to communicate with a member or members of the Board of Directors, including the chairs of the Audit and Compensation Committee and the non-management Directors as a group, may do so by addressing their correspondence to such members or group c/o World Wrestling Entertainment, Inc., 1241 East Main Street, Stamford, CT 06902, Attn: Corporate Secretary, and all such communications will be duly forwarded. Our Corporate Governance Guidelines are posted on our website (www.corporate.wwe.com) under the link for "Governance." Stockholders also may request a written copy of the guidelines free of charge by writing to World Wrestling Entertainment, Inc., 1241 East Main Street, Stamford, CT 06902, Attn: Investor Relations.

Code of Business Conduct . We have adopted a Code of Business Conduct (the "Code") which applies to all of our Directors, officers and employees, including our Chairman, our Chief Executive Officer and senior financial and accounting officers. Our Code requires, among other things, that all of our Directors, officers and employees comply with all laws, avoid conflicts of interest, conduct business in an honest and ethical manner and otherwise act with integrity and in the Company's best interest. In addition, our Code imposes obligations on all of our Directors, officers and employees to maintain books, records, accounts and financial statements that are accurate and comply with applicable laws and with our internal controls. A copy of our Code is posted on our website (www.corporate.wwe.com) under the link for "Governance." We also plan to disclose any amendments to, and waivers from, the Code on this website. Stockholders also may request a written copy of the Code free of charge by writing to World Wrestling Entertainment, Inc., 1241 East Main Street, Stamford, CT 06902, Attn: Investor Relations.

Audit Committee . Our Audit Committee consists of its Chair, Mr. Bowman, and Messrs. Kenin and Solomon, each of whom satisfies the independence requirements of applicable New York Stock Exchange and Securities and Exchange Commission rules and is financially literate, with a working familiarity with basic finance and accounting practices within the meaning of the listing standards of the New York Stock Exchange. Mr. Bowman has accounting and related financial management expertise and is qualified as an audit committee financial expert within the meaning of the applicable rules and regulations of the Securities and Exchange Commission. Mr. Bowman serves on the audit committee of two other public companies. No Audit Committee member may simultaneously serve on the audit committee of more than three public companies.

The primary purpose of our Audit Committee is to provide assistance to the Board in fulfilling its responsibilities to our stockholders and the investment community relating to our corporate accounting and reporting practices and the quality and integrity of our financial reports. In furtherance of this purpose, the Committee's Charter, a copy of which is posted on our website (www.corporate.wwe.com) under the link for "Governance," states that it will fulfill the following obligations:

- Review and discuss with management and the independent auditors our annual financial statements, quarterly financial statements and all internal controls reports (or summaries thereof). Review any other relevant reports or financial information submitted by the Company to any governmental body, or the public, including management certifications as required by the Sarbanes-Oxley Act of 2002 (Sections 302 and 906) and relevant reports rendered by the independent auditors (or summaries thereof).
- Review with financial management and the independent auditors each Quarterly Report on Form 10-Q and each Annual Report on Form 10-K (including, without limitation, the Company's disclosure under "Management's Discussion and Analysis of Financial Condition and Results of Operations") prior to its filing.
- Review earnings press releases with management, paying particular attention to any use of "pro-forma," "adjusted" or other information which is not required by generally accepted accounting principles ("GAAP").
- Review the regular internal reports (or summaries thereof) to management prepared by the internal auditor(s) and management's response.
- Have sole authority to appoint (subject to stockholder ratification), compensate, retain and oversee the work performed by the independent auditor engaged for the purpose of preparing and issuing an audit report or performing other audit, review or attest services for the Company. The Audit Committee shall have the ultimate authority to approve all audit engagement fees and terms. The Audit Committee shall have sole authority to review the performance of the independent auditors and remove the independent auditors if circumstances warrant. The independent auditors shall report directly to the Audit Committee and the Audit Committee shall oversee the resolution of any disagreement between management and the independent auditors in the event that any may arise.
- Review with the independent auditor (without representatives of management when deemed necessary) reports or communications (and management's and/or the internal audit department's response thereto) submitted to the Audit Committee by the outside auditors required by or referred to in SAS 61; review any problems or difficulties with an audit and management's response, including any restrictions on the scope of the independent auditor's activities or any access to requested information, and any significant disagreements with management; and review and hold timely discussions with the independent auditors.
- Review audit services and approve in advance non-audit services to be provided by the independent auditors, taking into consideration SEC rules regarding permissible and impermissible services by such independent auditors. This duty may be delegated to one or more designated members of the Audit Committee with any such pre-approval reported to the Audit Committee at its next regularly scheduled meeting. Approval of non-audit services shall be disclosed to investors in periodic reports to the extent required by the Securities Exchange Act of 1934.
- Review major issues regarding accounting principles and financial statement presentations, including any significant changes in the Company's selection or application of accounting principles, and major issues as to the adequacy of the Company's internal controls and any special audit steps adopted in light of material control deficiencies.
- Prepare the Audit Committee report that the SEC requires be included in this proxy statement.
- Maintain procedures for the receipt, retention and treatment of complaints received by the Company regarding accounting, internal accounting controls or auditing matters, and the confidential, anonymous submission by employees of the Company of concerns regarding questionable accounting or auditing matters.

Compensation Committee . Our Compensation Committee consists of its Chair, Gov. Weicker, and Messrs. Kenin and Solomon. The primary purpose of the Compensation Committee is to provide assistance to the Board in evaluating and approving the structure, operation and effectiveness of the Company's compensation plans, policies and programs. In furtherance of this purpose, the Committee's charter, a copy of which is posted on our website (www.corporate.wwe.com) under the link for "Governance," states that it will fulfill the following obligations:

- Approve all employment agreements for the Chairman, the CEO and all officers of the Company who either (i) have a title of Vice President or higher; or (ii) are the head of a business department (collectively, the "Executives").
- In accordance with their employment agreements, if any, the Compensation Committee shall have direct responsibility for annually reviewing and approving corporate goals and objectives relevant to the Chairman's and the CEO's compensation, evaluating the Chairman's and the CEO's performance in light of those goals and objectives, and determining and approving the CEO's and Chairman's compensation level based on this evaluation. In determining the long-term incentive component of Chairman and CEO compensation, the Compensation Committee will consider the Company's and the individual's performance, among other factors.
- In accordance with their employment agreements, if any, the Compensation Committee shall annually review and approve, for the other Executives named in the Company's proxy statement: (a) the annual base salary level, (b) the annual incentive opportunity level, (c) the long term incentive opportunity level, (d) severance arrangements and change in control agreements/provisions in each case as, when and if appropriate, and (e) any special or supplemental benefits.
- The Compensation Committee shall annually review management's recommendations and make recommendations to the Board of Directors with respect to the compensation of all Directors and Executives, including all compensation, incentive compensation plans, equity-based plans as well as the individuals or groups of individuals receiving awards under incentive-based compensation plans, such as cash bonuses, and equity-based plans such as the Long Term Incentive Plan; provided, however, that the Compensation Committee shall have full decision-making powers with respect to compensation intended to be performance-based compensation within the meaning of Section 162(m) of the Internal Revenue Code.
- The Compensation Committee shall approve grants under the Company's Long Term Incentive Plan.

Nominees for Director . The Board currently believes that its size is appropriate and that its members comprise an appropriate mix of independence, background and expertise. Nevertheless, the Board from time to time may consider candidates for Board membership suggested by its members, as well as management. The Board may retain a third party executive search firm to identify or assist in the evaluation of candidates. The Board may also consider as potential nominees persons recommended by stockholders. Stockholder recommendations may be submitted to the Board at our principal address in care of the Corporate Secretary. Each stockholder recommendation should include a personal biography of the proposed nominee, a description of the background or experience that qualifies such person for consideration and a statement that such person has agreed to serve if nominated and elected. Stockholders who themselves wish to nominate a person for election to the Board, as contrasted with recommending a potential nominee to the Board for its consideration, are required to comply with the requirements detailed under "Stockholder Proposals for 2006 Annual Meeting."

Once the Board has identified the need for additional Board members to fill vacancies or expand its size, the Board will review potential nominees and decide whether to conduct a full evaluation of any one or more candidates. This initial determination is based on the information provided to the Board concerning the prospective candidates, as well as the Board's own knowledge of the prospective candidates, which may be supplemented by inquiries to the person making the recommendation or others. If the Board determines that additional consideration is warranted, it may gather or request a third party search firm to gather additional information about the prospective nominee's background and experience. The Board then evaluates the prospective nominee taking into account whether the prospective nominee is independent within the meaning of the listing standards of the New York Stock Exchange and applicable regulations of the SEC and such other factors as it deems relevant, including the current composition of the Board, the balance of management and independent directors, the need for Audit Committee or Compensation Committee expertise, and the evaluations of other prospective nominees. In connection with this evaluation, the Board determines whether to interview the prospective nominee and, if warranted, one or more members of the Board and others, as appropriate, will conduct interviews in person or by telephone. After completing this process, the Board will determine the nominees. The Board would follow the same process and use the same criteria for evaluating candidates proposed by stockholders, members of the Board and members of management.

Compensation of Outside Directors . We pay our non-management Directors an annual retainer of \$50,000, payable in equal quarterly installments in arrears. We pay our Audit and Compensation Committee Chairs an additional annual fee of \$10,000, payable in equal quarterly installments in arrears. Non-management Directors each also receive a fee of \$1,500 for each Board or Committee meeting that they attend in person and a fee of \$500 for each Board or Committee meeting in which they participate by telephone. Fifty percent of a Director's retainer is paid in shares of our Class A common stock under our Long Term Incentive Plan and, at the election of the Director, the remaining 50% of such retainer, together with all chair and meeting fees, may be paid either in such shares or in cash. All Directors receive reimbursement of expenses incurred in connection with participation in our Board and Committee meetings. Management Directors do not receive additional compensation for their services as a Director.

On that date the closing price of the Company’s Class A common stock was \$12.90 per share. These units vest in equal installments over seven years with such vesting to be accelerated if, in any year the Company exceeds an EBITDA (earnings before interest, taxes, depreciation and amortization) target of \$100 million. On vesting the holder receives, for each restricted stock unit, an unrestricted share of Class A common stock, subject to the holder’s right to elect to have shares deducted to cover withholding taxes. Employment Agreements

We have employment agreements with each of Vincent K. McMahon and Linda E. McMahon. Mr. McMahon’s agreement is for a term of seven years, ending October 14, 2006, and Mrs. McMahon’s agreement is for a term of four years, originally ending October 14, 2003 and renewed pursuant to its terms until October 14, 2006. Mr. and Mrs. McMahon also have booking contracts that are coterminous with their employment agreements. Since November 2004, Mr. and Mrs. McMahon have waived all salary, bonuses and booking fees under the agreements. Each agreement will automatically extend for successive one-year periods unless either party gives notice of non-extension at least 12 months, but no more than 18 months, prior to the expiration date. Mr. McMahon’s employment agreement provides for him to be our Chairman, and Mrs. McMahon’s employment agreement provides for her to be our Chief Executive Officer. If payments were to resume under such agreements, Mr. McMahon would be entitled to an annual base salary of \$1,085,000, an annual bonus of up to 100% of such salary and a guaranteed minimum booking fee of \$850,000, and Mrs. McMahon would be entitled to an annual base salary of \$750,000 and a annual bonus of up to 100% of such salary. Under both executive’s agreements bonuses are based on the attainment of

performance goals set under the Company's Management Bonus Plan, and the executive is entitled to participate in our various other employee benefit plans and programs. If payments were to resume under these agreements, the compensation package of each of Mr. and Mrs. McMahon could be reviewed no less frequently than annually by the Compensation Committee to determine whether or not it should be increased or enhanced in light of the executive's duties, responsibilities and performance.

Under the employment agreements with Mr. and Mrs. McMahon, in the event we terminate either executive's employment other than for cause, death or disability, or if the executive terminates his or her employment for good reason, or if the executive terminates his or her employment for any reason within the 90-day period beginning six months after the occurrence of a change in control, we are obligated to pay to the executive compensation and benefits that are accrued but unpaid at the date of termination, plus a lump sum cash amount equal to the executive's base salary and bonus for the greater of the balance of the contract term or two years and to continue his or her benefit plan participation for such period. If Mr. or Mrs. McMahon dies during the term of his or her agreement, we are obligated to pay to the executive's estate compensation and benefits that are accrued but unpaid as of the date of the executive's death, plus a lump sum amount equal to the executive's base salary and bonus for two years. If we terminate Mr. or Mrs. McMahon's employment for cause, if either executive resigns without good reason, or if either executive's employment is terminated due the executive's disability, we are obligated to pay the executive compensation and benefits accrued but unpaid as of the date of termination. Amounts that have been waived by the McMahons will not be deemed accrued but unpaid for the foregoing purposes. If either Mr. or Mrs. McMahon becomes subject to any change in control excise taxes, we will be obligated to provide such executive a "gross-up" bonus sufficient, on an after-tax basis, to cover any such excise taxes. The employment agreements also contain confidentiality covenants and covenants that, among other things, prohibit each executive from competing with us in professional wrestling and our other core businesses during employment and for one year after termination, unless the termination follows a change in control. The employment agreements for Mr. and Mrs. McMahon allow personal travel on the Company's aircraft when it is not being used for business purposes. Income related to such travel is imputed at the higher of applicable IRS regulations or 120% of the Company's estimate of first class airfare for the flights. This imputed income is estimated to be approximately 70% of the Company's incremental cost of such use, and the incremental cost is the number reported in our Summary Compensation Table. The Compensation Committee annually reviews the amount of this use and its related cost to the Company.

We have an employment agreement with Jim Ross for a term of ten (10) years ending October 29, 2006. Mr. Ross's current salary is \$300,000. Mr. Ross is eligible to participate in the pool of fees paid by the Company to talent for live events. Mr. Ross is also eligible for royalties relating to products bearing his name and/or likeness. If the Company were to terminate Mr. Ross's employment without cause, he would be entitled to one year's continued salary.

We have an agreement with Kurt Schneider under which, if his employment is terminated by the Company without cause, as defined, prior to February 24, 2006, he will receive continued salary and medical benefits for six (6) months.

REPORT AND PERFORMANCE GRAPH

Notwithstanding anything to the contrary set forth in any of our previous filings under the Securities Act or the Securities Exchange Act of 1934 that might incorporate future filings, in whole or in part, including our Annual Report on Form 10-K for the fiscal year ended April 30, 2005 and the Company’s currently effective Registration Statements on Forms S-3 and S-8, the following Report and Performance Graph, and the Audit Committee Report set forth under Proposal 2—Ratification of Selection of Independent Auditors, shall not be incorporated by reference into any such filings.

Report of the Compensation Committee on Executive Compensation

The primary goal of our compensation program is to enable us to attract, retain and reward executive officers and other key employees. As an entertainment company, the talents of our creative and performing personnel are integral to our success and, by extension, the return on investment of our stockholders. Mr. McMahon, our Chairman, plays a unique role in that he heads the team which, among other functions, develops story lines, characters, live events and televised programming. In addition, Mr. and Mrs. McMahon perform in our live and televised events. We believe that we will have a continuing need for talent and managerial skills at the highest level.

Employment agreements were entered into with Mr. and Mrs. McMahon prior to the formation of the Committee and have been amended from time to time thereafter by the Committee. While the Committee continues to believe that these agreements provide for the right type and amount of compensation, as a practical matter the McMahons’ very large stock ownership in the Company provides a great

degree of incentive, and moreover, the Company's dividend program provides an element of liquidity to this large investment in the Company. As a result, the Committee does not believe that the waiver by the McMahons of their salary, bonuses and booking contract payments, which began in November 2004, will in any way affect their desire to cause the Company to succeed. We believe that, if remuneration were to resume, it would be paid in amounts not greater than that provided under these agreements. Compensation payable beyond what is called for by the agreements would be made by the Committee only if we were to deem it appropriate because of demonstrable improvements in the Company's or an individual's performance.

This Committee sets Company-wide performance goals and objectives for all executive officers under the Company's Management Bonus Plan early each fiscal year as required by Internal Revenue Code Section 162(m). In the event the Company-wide performance criteria are met, participants are entitled to bonuses provided they meet personal performance guidelines in their annual reviews. If Company-wide criteria are not met, no bonuses are paid, and the Company-wide performance goals and objectives are the same for all participants of the Plan. This would include the McMahons, if remuneration to them were to resume, in which case participation in the Plan would effectuate the incentive plan compensation portion of their employment agreements. In fiscal 2005, the Committee set a Company-wide performance target of \$69 million in EBITDA, with lesser payouts beginning at 85% of such EBITDA target. Since our actual results exceeded this minimum payout threshold, incentive compensation as calculated under the Management Bonus Plan was paid to all executive officers (other than Mr. Simon and, as mentioned, the McMahons because they waived any such payments) in respect of fiscal 2005. In some instances, bonuses were paid beyond those required by the Management Bonus Plan. On balance, incentive compensation was below levels paid in fiscal 2004, which reflects the difference in the Company's performance between the two years. The Committee approved all bonuses for Executives, and as a general matter all compensation arrangements with Executives have been reviewed by the Committee and deemed not excessive. A copy of our Management Bonus Plan is on file with the SEC as Exhibit 10.7 to our Annual Report on Form 10-K.

During fiscal 2005, the salaries of executive officers (other than Mr. and Mrs. McMahon) increased on average approximately five percent over fiscal 2004. The Compensation Committee believes that, absent a promotion, increases in an employee's compensation for performance are best effectuated through incentive compensation and equity participation, rather than by annual salary increases. In this manner, executive compensation remains closely tied to Company performance.

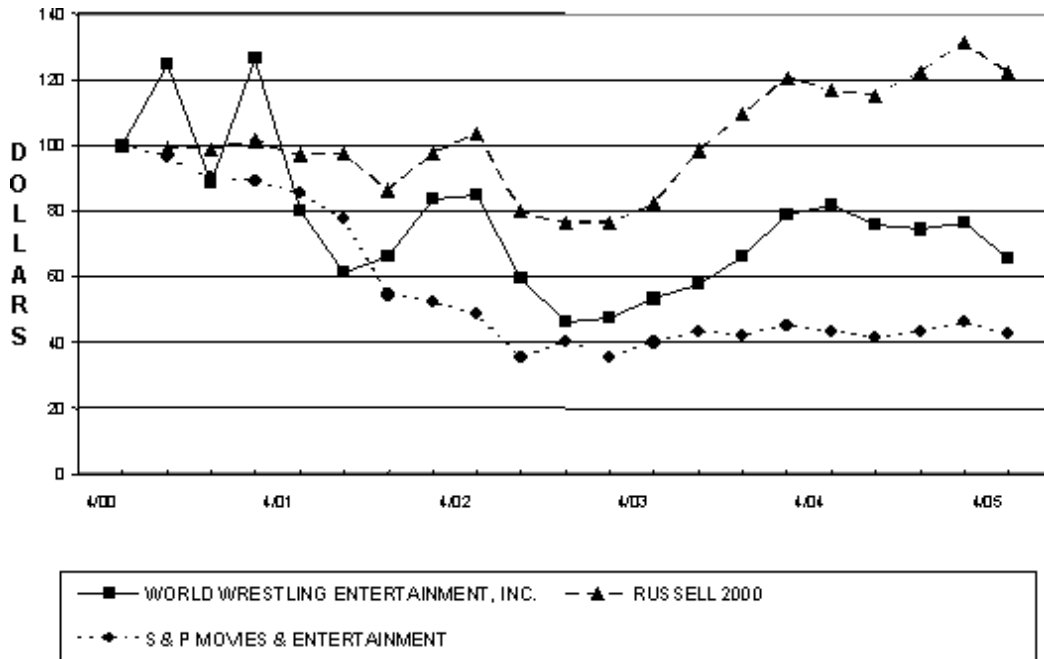

The Compensation Committee also determines equity grants under the Company's Long Term Incentive Plan. Mr. and Mrs. McMahon do not participate in these equity grants. During fiscal 2005, we granted to 97 employees an aggregate of 1,063,500 options and 133,900 restricted stock units.

Subsequent to the end of fiscal 2005, we set new salaries for fiscal 2006, which for executive officers averaged seven percent over those for 2005, established an EBITDA target for bonuses under the Management Bonus Plan of \$58 million and approved an equity compensation program for fiscal 2006 under our Long Term Incentive Plan which contemplates the grant of up to 475,000 restricted stock units to approximately 70 employees, and up to an additional 25,000 restricted stock units in the case of new hires during fiscal 2006. These units will vest over three years. No options are expected to be granted. The actual grants of restricted stock units under this program will be made by the Committee at a later date. The EBITDA target for bonuses and the minimum payout threshold of 85% of that target, as well as the equity compensation structure, was set with the assistance of the Committee's outside compensation consultant.

PROPOSAL 2—RATIFICATION OF SELECTION OF INDEPENDENT AUDITORS

The Board of Directors has recommended that the stockholders ratify its appointment of Deloitte & Touche LLP as our independent auditor for the fiscal year ending April 30, 2006. Deloitte & Touche LLP has audited our consolidated financial statements since 1984. Although ratification of this selection is not legally required, the Board of Directors believes that it is appropriate for the stockholders to ratify such action as a matter of good corporate governance. We expect that a representative of Deloitte & Touche LLP will be present at the Annual Meeting, will have an opportunity to make a statement if he or she wishes and will be available to respond to appropriate questions.

Independent Auditors Fees

The following table presents fees for professional audit services rendered by Deloitte & Touche LLP, the member firms of Deloitte Touche Tohmatsu, and their respective affiliates (collectively, "Deloitte & Touche") for the audit of our financial statements for the fiscal years ended April 30, 2005 and 2004, and fees for other services rendered by Deloitte & Touche during those periods.

The Audit Committee annually reviews and pre-approves services on a list of generally pre-approved services, subject to projected dollar fees, and the Committee is updated from time to time at regularly scheduled meetings as to the actual fees vis-à-vis these projections. All of the services provided by Deloitte & Touche in the table above were pre-approved by the Audit Committee. If additional services are identified throughout the year, they are taken to the Audit Committee's chair for pre-approval who is designated to pre-approve them, reporting such pre-approval to the entire Committee at its next meeting, unless such services have projected fees in excess of \$25,000 in which case they are to be pre-approved by the entire Audit Committee.

Audit Committee Report

The primary purpose of the Audit Committee is to assist the Board in monitoring the integrity of our financial statements, our independent auditor's qualifications and independence, the performance of our independent auditors and our compliance with legal and regulatory requirements. The Board, in its business judgment, has determined that all members of the Committee are "independent," as required by applicable listing standards of the New York Stock Exchange. The Audit Committee operates pursuant to a charter that was last amended by the Board in November 2003. A copy of the current charter is available on the Company's website (www.wwe.com) under the link for "Governance." Upon written request to the Corporate Secretary, we will provide each stockholder without charge a copy of our Audit Committee charter.

Management is responsible for the preparation, presentation and integrity of the Company's financial statements, accounting and financial reporting principles and internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. The independent auditors were responsible for performing an independent audit of the consolidated financial statements in accordance with generally accepted auditing standards.

In performing its oversight role, the Audit Committee has, among other things covered in its charter, reviewed and discussed the audited financial statements with management and the independent auditors. The Audit Committee has also discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61, *Communication with Audit Committees*, as currently in effect. The Committee has received the written disclosures and the letter from the independent auditors required by Independence Standards Board Standard No. 1, *Independence Discussions with Audit Committees*, as currently in effect, and has discussed with the independent auditors their independence. The Audit Committee has also considered whether the provision of non-audit services by the independent auditors is compatible with maintaining the auditors' independence and has discussed with the auditors their independence.

Based on the reports and discussions described in this Report, and subject to the limitations on the role and responsibilities of the Audit Committee referred to in this report and in the charter, the Audit Committee recommended to the Board that the audited financial statements be included in the Annual Report on Form 10-K for the fiscal year ended April 30, 2005.

While the members of the Audit Committee meet the independence, financial experience and other qualification requirements of the New York Stock Exchange and applicable securities laws, they are not professionally engaged in the practice of auditing or accounting. Members of the Committee rely without independent verification on the information provided to them and on the representations made by management and the independent auditors. Accordingly, the Audit Committee's oversight does not provide an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or appropriate internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations, efforts and discussions referred to above do not assure that the audit of the Company's financial statements has been carried out in accordance with generally accepted auditing standards, that the financial statements are presented in accordance with generally accepted accounting principles or that Deloitte and Touche LLP is in fact "independent."

"HOUSEHOLDING" OF PROXY MATERIALS

The Securities and Exchange Commission has adopted rules that permit companies and intermediaries such as brokers to satisfy delivery requirements for proxy statements with respect to two or more stockholders sharing the same address by delivering a single proxy statement addressed to those stockholders. This process, which is commonly referred to as "housekeeping," potentially provides extra convenience for stockholders and cost savings for companies. The Company and some brokers household proxy materials, delivering a single proxy statement to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your broker or us that they or we will be householding materials to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate proxy statement or if you are receiving multiple copies of the proxy statement and wish to receive only one, please notify your broker if your shares are held in a brokerage account or us if you hold registered shares. You can notify us by sending a written request to World Wrestling Entertainment, Inc., 1241 East Main Street, Stamford, CT 06902, Attn: Investor Relations or by telephoning a request to our Investor Relations Department at (203) 352-8600.
