#### WORLD WRESTLING ENTERTAINMENT INC. 2006 TRENDING SCHEDULES — BASIS OF PRESENTATION

Historical financial results are shown on a fiscal year basis, reflecting the twelve month period ending April 30th of 2005 and 2006, respectively.

WWE modified its business segment reporting in the fourth quarter of 2006 to include four reportable segments. These new segments highlight management's focus on the growth of our digital businesses and our entry into the feature film production business.

The presentation of prior period financial results has been adjusted to conform to the presentation of current period results.

Changes to the segment definitions are described below:

#### Live and Televised Entertainment

- Segment revised to include Venue Merchandise, which was formerly included in the Branded Merchandise segment (now renamed the Consumer Products segment)
- Revenues consist principally of ticket sales to live events, sales of merchandise at these live events, television rights fees, sales of advertising and sponsorships, and fees for viewing our pay-per-view and video on demand programming.

#### **Consumer Products**

- Segment formerly named Branded Merchandise
- Venue Merchandise is now included in the Live and Televised Entertainment segment
- WWE.com and WWEShop businesses are now reported as a separate segment named Digital Media
- Revenues consist principally of WWE produced home videos and magazine publishing and royalties from products sold by licensees (such as video games, toys and books).

#### Digital Media

- Newly created segment
- WWE.com and WWEShop businesses were formerly included in our Branded Merchandise segment (now renamed the Consumer Products segment)
- Revenues consist principally of advertising sales on our websites, sale of merchandise on our website through our WWEShop internet storefront and various broadband and mobile services.

#### **WWE Films**

- Newly created segment
- Consists of the production and distribution of filmed entertainment featuring our Superstars. This is a new venture for WWE.

#### Non-GAAP Measure:

EBITDA is defined as earnings from continuing operations before interest, income taxes, depreciation and amortization. Although it is not a recognized measure of performance under U.S. GAAP, EBITDA is presented because it is a widely accepted financial indicator of a company's performance. The Company uses EBITDA to measure its own performance and to set goals for operating managers. EBITDA should not be considered as an alternative to income from continuing operations, net income, cash flows from operations or any other indicator of World Wrestling Entertainment, Inc.'s performance or liquidity, determined in accordance with U.S. GAAP.
