**WWE® Reports 2008 Third Quarter Results**  
**Reiterates Commitment to Dividend**

**STAMFORD, Conn., November 6, 2008** — World Wrestling Entertainment, Inc. (NYSE: WWE) today announced financial results for its third quarter ended September 30, 2008. Revenues totaled \$108.8 million as compared to \$108.1 million in the prior year quarter, while operating income was \$7.9 million as compared to \$13.4 million in the prior year quarter. Net income was \$5.3 million, or \$0.07 per share, as compared to \$8.5 million, or \$0.12 per share, in the prior year quarter.

“Through the first half of 2008, our business achieved significant top-line growth despite a difficult economic environment. In the third quarter, however, our revenue growth slowed. Consistent with our previously announced commitment, we are moving forward with at least \$20 million of cost savings in 2009,” said Linda McMahon, CEO. “In addition, we have adjusted the scope of our Media Center project and reduced our planned capital spending by approximately \$30 million to a range of \$65 million to \$75 million. We remain committed to managing our business in a manner that is consistent with maintaining our dividend and achieving our long-term financial objectives,” concluded Mrs. McMahon.

- **Pay-Per-View revenues** were \$16.4 million as compared to \$18.8 million in the prior year quarter. There were three pay-per-view events produced in each quarter.

The details for the number of buys (in 000s) are as follows:

Events (in chronological order)	Three Months Ended September 30, 2008	Three Months Ended September 30, 2007
<i>The Great American Bash</i> ®	196	229

<i>Unforgiven</i> ®	211	210

<b>Total</b>	<b><u>926</u></b>	<b><u>1,063</u></b>

- **Venue Merchandise revenues** were \$4.2 million as compared to \$3.9 million in the prior year quarter, primarily reflecting the increase in total attendance at our live events. This increase in attendance is partially offset by a decrease in per capita spending by our fans to approximately \$9.83 in the current quarter as compared to \$10.15 in the prior year quarter.
- **Television Rights Fees revenues** were \$24.4 million as compared to \$22.8 million in the prior year quarter.
- **WWE 24/7™ revenues** were \$1.4 million in both the current and prior year quarters.

### **Consumer Products**

Revenues from our Consumer Products businesses were \$26.6 million versus \$19.0 million in the prior year quarter, representing a 40% increase.

- **Home Video net revenues** were \$11.0 million as compared to \$5.7 million in the prior year quarter. The increase in Home Video revenues primarily reflects the strong performance of new titles released in the current quarter, as well as titles released earlier in the year. Also, there were no new titles released in the prior year quarter, excluding the releases of pay-per-view events, as the timing of the release dates shifted to the fourth quarter of 2007.
- **Licensing revenues** were \$10.6 million as compared to \$9.4 million in the prior year quarter, primarily reflecting increases in multimedia game and music sales.
- **Magazine publishing net revenues** were \$4.7 million as compared to \$3.9 million in the prior year quarter, reflecting increased newsstand and subscription copies sold. We published four issues of *WWE Magazine* as compared to three issues in the prior year quarter. We also published two issues of *WWE Kids Magazine* in the current year quarter, which is a new publication that was launched in 2008.

## **Digital Media**

Revenues from our Digital Media related businesses were \$7.9 million as compared to \$7.7 million in the prior year, representing a 3% increase.

- **WWE.com revenues** were \$4.0 million as compared to \$4.6 million in the prior year quarter, reflecting a \$0.4 million, or 13%, decline in web-based advertising as compared to the prior year quarter.
- **WWEShop revenues** were \$3.9 million as compared to \$3.1 million in the prior year quarter. The number of orders processed during the current quarter increased by 22%. In addition, the average per order spend by our customers increased to \$54.72, as compared to \$53.58 per order in the prior year quarter.

## **WWE Studios (formerly WWE Films)**

WWE has released three theatrical films, two films in 2006, *See No Evil* and *The Marine*, and one film in 2007, *The Condemned*. We recorded revenue of \$5.6 million in the current quarter related to these theatrical releases as compared to \$12.8 million in the prior year quarter. In the prior year quarter we recorded our first revenues related to these theatrical releases, which included the successful results of *The Marine* DVD. In the current quarter we recorded a \$1.9 million charge related to revised expectations for our film *See No Evil*.

## **Profit Contribution (Net revenues less cost of revenues)**

Profit contribution was \$42.5 million in the current quarter as compared to \$44.7 million in the prior year quarter. Total profit contribution margin decreased to 39% as compared to 41% in the prior quarter, primarily reflecting lower margins in our Live and Televised Entertainment and Digital Media segments, as well as the feature film impairment discussed above. The lower margins in our television and PPV areas were a result of higher television production costs, due in part to broadcasting our programs in High Definition that we commenced in early 2008.

## **Selling, general and administrative expenses**

SG&A expenses were \$31.3 million for the current quarter as compared to \$28.9 million in the prior year quarter, reflecting an increase in advertising and promotion expenses in our international markets as well as higher professional fees and staff related costs.

## **EBITDA**

EBITDA was approximately \$11.2 million in the current quarter as compared to \$15.8 million in the prior year quarter. Excluding the \$1.9 million charge related to revised expectations for our film *See No Evil*, EBITDA in the current quarter was approximately \$13.1 million.

### **Investment and Other (Expense) Income**

The decline in investment income in the current quarter reflects lower average investment balances.

### **Effective tax rate**

In the current quarter the effective tax rate was 32% as compared to 40% in the prior year quarter. This decrease reflects the impact in the prior year quarter of approximately \$0.9 million of realized investment losses which were not deductible for tax purposes.

### **Summary Results for the Nine Months Ended**

Total revenues through the nine months ended September 30, 2008 were \$401.1 million as compared to \$353.0 million in the prior year period, a 14% increase, while operating income for the current period was \$47.0 million versus \$43.7 million in the prior year period. Net income was \$31.8 million, or \$0.43 per share, as compared to \$30.6 million, or \$0.42 per share, in the prior year period. Net income includes negative adjustments of \$2.2 million in the current period and \$0.7 million in the prior year period related to the revaluation of warrants we hold in certain licensees. The current period includes a \$1.9 million charge for our film *See No Evil*, whereas the prior year period includes a \$15.7 million asset impairment charge for *The Condemned*. Excluding these items, EBITDA was \$58.4 million for the current period as compared to \$66.4 million in the prior year period.

Non-GAAP Measure:

We define Free Cash Flow as net cash provided by continuing operations less cash used for capital expenditures. Although it is not a recognized measure of liquidity under U.S. GAAP, Free Cash Flow provides useful information regarding the amount of cash our continuing business is generating after capital expenditures, available for reinvesting in the business and for payment of dividends.
